Dear Senator Toomey,

January 25, 2016

My name is Robert Brace. I am a constituent in your district.

I am in need of clarification of the following:

1. "Navigable waters of the United States"
2. What is "normal farming"?
3. Clarification of "F-1" being an established farm and "F-2" being on-going farming practices
4. Who has jurisdiction in these matters: The ACOE, EPA, USDA or the State?
5. If it is determined that land is not usable, should we be compensated under the Fifth Amendment of the United States Constitution?
